

Pony Club Eastern Pennsylvania Region  
2022 “D Clinic” at On The Bit Equestrian Center, Oxford, PA  
[Sunday, March 20](#)

Location: On The Bit Equestrian Center, 1700 State Road, Oxford PA. We have rented their beautiful indoor arena. Let's make sure we leave it as clean as when we arrived. :)

**D Clinic:** This is an opportunity for UR and D1/2s and their families in the Eastern Pennsylvania Region to enjoy some lessons with clinician Lisa Iwersen, and a horse management discussion. Lisa introduces herself,

*Hi! I'm an "A" pony clubber. I evented successfully at the prelim level, I galloped and broke race horses. I worked for a very competitive dressage barn with their young imported horses. I was co-DC of Delaware Pony club for several years. I have been coaching adults and children for the past 30 years. My theories are everyone rides for their own reasons – maybe to compete, maybe to move up through the*

*levels, maybe for fun, or maybe to be a better safe rider. I have taught riders for years that never once competed. I don't believe in forcing a horse and I am not a fan of a lot of equipment or gadgets. Sometimes you gotta take a step back before you can go forward.*

*I like to understand the horse and rider team.....remember Gang – we do it because it's fun.*

**Morning Lessons:** small groups.

**Group lunch:** BYO brown-bag.

**Horse Management Discussion:** Schedule will vary depending on how many riders we have. Bring your questions about rallies, Quiz, ratings, whatever!

Cost: \$15.00 to EPA (payment methods on next page)
